

# Catch an Early Flight

## Preparing the Sons of God to Stand in the Gate

### Psalm 127:3-5

*3 Sons are a heritage from the LORD, children a reward from him. 4 Like arrows in the hands of a warrior are sons born in one's youth. 5 Blessed is the man whose quiver is full of them. They will not be put to shame when they contend with their enemies in the gate.*

Father God is calling His children up into His throne room in order to heal our hearts. Many of us have hurts, wounds, broken places, baggage, boarded up places, and walls in our lives. Father God desires to bring healing and restoration to you through Jesus and by His Holy Spirit. He desires to release in your life a revelation of the spirit of adoption and sonship as never before. This will only come through a revelation of the "Father's Heart" and the completed work of the Lord Jesus Christ on the cross. It is time. Revelation brings transformation!

Recently, I had an experience with Father God during a time of prayer. On the Monday morning after returning from "The Call" in Nashville, TN, I awakened with a song that Misty Edwards led at that event. I sang it over and over. "You won't relent till you have it all, my heart is yours; You won't relent till you have it all my heart is yours." Over and over I would sing. Then, I was caught up in visions, and I saw myself in the Father's lap wrapped in a baby blue receiving blanket. My ear was pressed to Father's chest, and I could hear His heart beating. Immediately, I began to experience hurt in areas of my heart that I did not know existed. These were areas that had been walled up - "boarded up" in my life. The pain and anger were tremendous - the hurt took my breath. It was shocking to me to realize that it was there. I cried out to the Father, "I hurt!" The Father said, "**Allow the rhythm of My heart to calm your heart.**" I began to experience His love, comfort, calm, and a rest in a particular area. Then, another place would be revealed causing me to cry out, "I need the rhythm of your heart to calm my heart." I continued to see the vision of myself in His arms. The Father was holding me. He wants to hold you. The word of the Lord came clearly: "**We (Godhead) understand hurt.**"

Then, Jesus said, "I understand the human side - Have you ever heard someone say, 'If I could just get inside their brain, if I could just get inside that piece of machinery and see what makes it tick- see the broken places?' I got inside human kind." (Phil. 2:5-8; Hebrews 2:14-3:1; Hebrews 4:14-15)

The Lord continued to speak: "Too many people go up into the heavens and then come down and go right back to the baggage claim area. You board up the windows of your soul to protect yourself from the storms of life. I want to deal with baggage and the boarded up place in My sons. The only reason why you can't engage with someone is because you have areas of hurt - it's a matter of the heart. My people are a prophetic people. The prophet nature to be non-relational

is simply self-preservation. I am healing prophetic sons so that the fullness of my voice can fill the earth. The seven thunders are beginning to rumble." The Father said, "I want you to catch an early flight for the next 50 days. Come up in the Spirit and lend Me your ear."

*This devotional was first published mid-2007. We have called it many things over the years, but it seems easiest to refer to it as "50 Days". Each day is developed upon the previous, so skipping a day is not advised.*
